## Dommerskjema 1. divisjon

Spiller som nr ..... 12 Alexander BB Poeng ..... 25 .....

Nice performance.

Some energetic playing overall.

Although for me too many slips  
and intonation problems.

Looks like a very nice friendly and cohesive  
band. Bravo trombone solo ... well done.

Last movement had not the same  
energy and quality as the beginning.

Overall for me a good performance but  
too many slips and intonation problems.  
Thanks!
