① Dreaded Groove + Hook

Good opening + good eyn solo. The piece sits nice with the rhythms. Need more dynamic contrast at [F].

② Vollflikens Dans

Good playing from the solist - Well done! Sometimes the ensemble is a little flat.

③ Wondrous Cross

Some lovely playing here, well done solo cornet! At bar 45 the "ff" need to be better performed. A good ending.

④ It's All Right with Me

Good playing from trombones. Well done, this has a great feel about it.

⑤ Circus

A great performance. This has very good drive + energy. Just the last few bars are a little scrappy.
